Event Report: "E-SPORTS MINI TOURNAMENT"

Seminar Date: 30-07-2025

Organized by: Gaming Club, Department of Information Technology

In association with: Career Guidance Cell, Pragati Engineering College

Introduction:

On 30-07-2025, the "Gaming Club" of the Department of Information Technology, in association with the Career Guidance Cell, successfully organized an **E-sports Mini Tournament** at Pragati Engineering College. The event aimed to introduce students to the thrilling world of competitive gaming and provide hands-on experience in e sports tournaments.

Objective:

The primary goal of this mini tournament was to create awareness about the fast-growing domain of **e sports** and to give students a real-time feel of competitive gameplay. The event was designed to nurture teamwork, strategy, and quick decision-making skills through structured gaming competitions and to spark interest in e sports as a potential career and community.

Tournament Overview:

The session kicked off with an enthusiastic briefing by the organizing team and faculty, highlighting the rules and structure of the tournament. The games featured in the tournament included popular multiplayer titles, and students formed teams to compete in various matches. The competition encouraged participation, camaraderie, and healthy rivalry among students.

Key Games Played:

- Valorant
- BGMI (Battlegrounds Mobile India)
- FIFA
- Tekken 7

The event was conducted in a knockout format with multiple rounds, culminating in a grand final for each title. Live streaming and commentary added excitement to the environment, simulating real esports events.

Career Insights:

Between tournament rounds, brief sessions were conducted to introduce students to **career prospects in e sports**, including roles such as:

- Professional E sports Player
- Shoutcaster / Commentator
- E sports Coach or Analyst
- Tournament Organizer
- Game Streamer
- E sports Content Creator

Students were guided on how to enter the competitive gaming scene and the pathways available through community involvement, streaming, and professional tournaments.

Participation:

The tournament witnessed enthusiastic participation from students across departments. Each match drew a large audience, showcasing the increasing interest in e sports as both a **competitive platform and entertainment medium**. Participants demonstrated sportsmanship and technical gaming skills.

Acknowledgments:

The Principal of Pragati Engineering College, **Dr. G. Naresh**, congratulated the Gaming Club and Career Guidance Cell for their efforts. Special appreciation was extended to **Mr. D. Konda Babu (Assistant Professor, Department of IT)** for his coordination and continuous support. The event's smooth execution was also credited to the active role played by student volunteers and organizers.

Event Statistics:

- **Number of Registrations: 57**
- **Number of Attendees: 57**

THEME OF THE EVENT:

The e sports mini tournament focused on **competitive gaming culture** and the rising popularity of e sports tournaments at the campus level.

Key Highlights:

- Organized tournaments for top competitive titles.
- Introduced students to team-based gaming and real-time strategic play.
- Exposure to roles such as casting, streaming, and e sports organizing.
- Demonstrated the competitive spirit and growing scope of e sports careers.
