Problem statement of Event:

Problem Statement-(PS-1):

Smart Community Health Monitoring and Early Warning System for Water-Borne Diseases in Rural India.

It is a comprehensive framework that leverages digital technology, community involvement, and government-backed strategies to address the challenge of waterborne diseases in remote and underserved areas.

Problem Statement-PS-2:

Smart Crop Advisory System for Small and Marginal Farmers

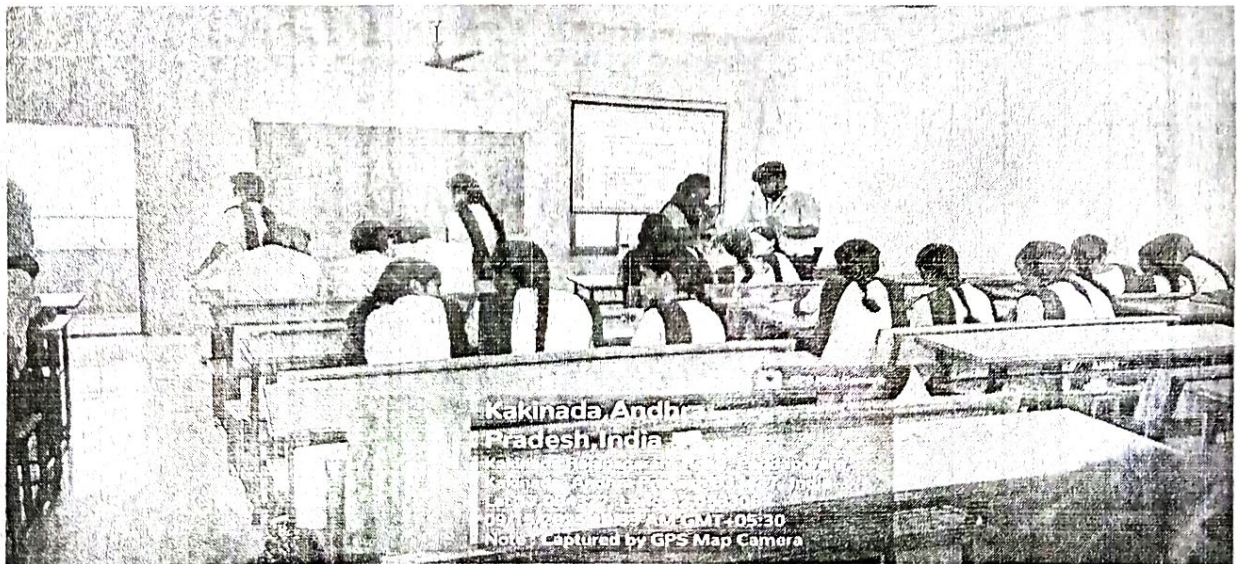

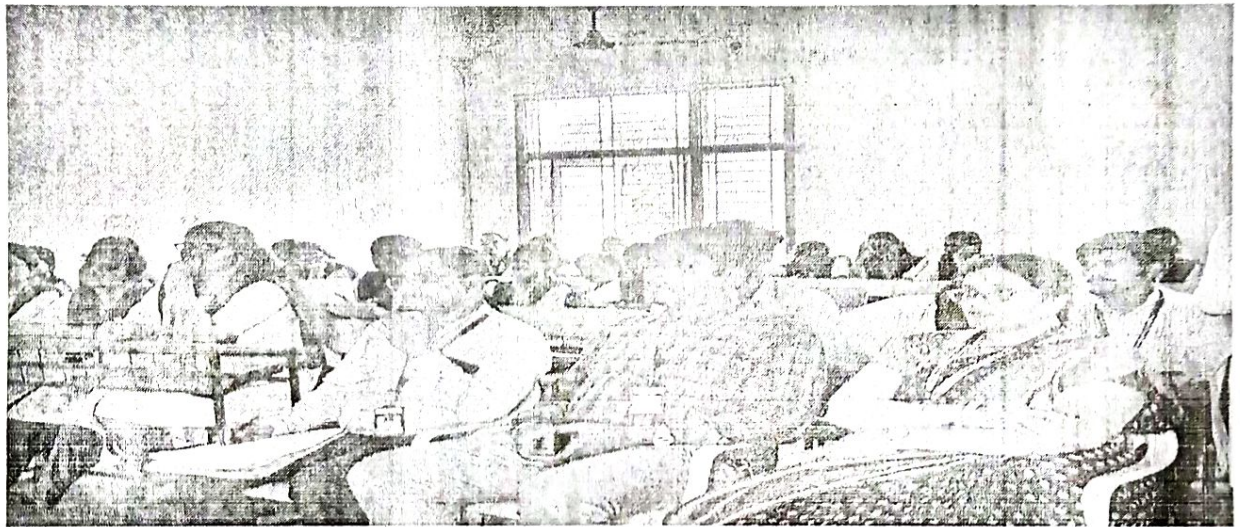

The core problem faced by small and marginal farmers in India is a cycle of low productivity, vulnerability, and income insecurity. Despite making up over 85% of the country's farmers and managing nearly half of India's cultivated land, these farmers grapple with a range of deeply interconnected challenges.

Problem Statement-PS-3:

Real life solutions for Waste Management.

Waste management is one of the most serious challenges faced by modern society. With rapid urbanization, industrial growth, and changing lifestyles, the amount of waste produced daily is increasing at an alarming rate. This waste includes household garbage, plastics, e-waste, biomedical waste, and industrial by-products

OBJECTIVE OF THE EVENT

The objective of Idea in a Snap (Idea Pitch) was to:

- Encourage students to present innovative solutions to real-life problems.
- Develop communication, presentation, and quick thinking skills.
- Promote a culture of entrepreneurship, creativity, and teamwork.
- Provide a platform for students to pitch impactful ideas in a short time frame.

PROCESS OF THE EVENT

- Students were asked to form teams and register with their details.
- Each team was given specific problem statements (e.g., Health Monitoring, Crop Advisory, Waste Management).
- Teams were asked to present their ideas within a limited time (snap pitch) using PowerPoint and verbal communication.
- Evaluation was based on:
 - Innovation of Idea
 - Practicality & Feasibility
 - Presentation Skills
 - Team Coordination

WINNERS:

1st Winner – Team 15

- I,V Navee Kumar (23A31A4638, III-CSE CS)
- A V. Satyanarayana (23A31A4624, III-CSE CS)
