Date: 20-09-2025

**A Report on the Student Workshop on International Career Development Program on
SDG, ESG & Industry Innovations**

As part of the technical activities under the **Society for Data Science – Student Chapter** of the Department of CSE (Data Science), this event was conducted.

Name of the Event: International Career Development Program on SDG, ESG and Industry Innovations

Chief Guest of the Event: Dr. Sidhu

Speaker (Resource Person) of the Event: Anusha Akundi

Date of the Event: 15-09-2025 To 19-09-2025

Time of the Event: 7:00 PM To 8:30 PM

Venue of the Event: Virtual /Online Mode

As one of the 128 host institutions across India, our college contributed significantly to the workshop with 687 participants, including students, faculty, and tech enthusiasts actively engaging in the sessions.

Brief write-up of the event:

The **5-day national-level workshop**, conducted by **Brainovision**, aimed to introduce students and faculty to the concepts of Sustainable Development Goals (SDG), Environmental, Social, and Governance (ESG), and Industry Innovations. The program was designed to bridge academic learning with real-world applications, preparing participants for careers aligned with sustainability and industry.

The International Career Development Program offered interactive sessions, case studies, and practical exercises on SDGs, ESG, and industry innovations to enhance professional skills. Participants engaged in collaborative projects and networking, applying strategic thinking and innovation-driven solutions for a sustainable.
