Total Participants:

The **Metaverse Club** successfully conducted a **Quiz on the Basics of Python** on **4th July 2025** at **CG-II** from **3:00 PM to 3:30 PM**. A total of **56 participants** actively took part in the event, demonstrating great enthusiasm and foundational knowledge in Python programming. The quiz covered essential topics such as data types, control structures, functions, and basic syntax, allowing students to assess their understanding in a competitive yet supportive environment. The quiz link was activated promptly at **3:00 PM**, and the event proceeded smoothly without any technical difficulties. Participants completed the quiz within the given time frame, and the top scorers will be recognized in the upcoming club meeting. The Metaverse Club extends its appreciation to all the participants and coordinators for their cooperation in making the event a successful and enriching experience.
