CIRCULAR

We are happy to inform you that an **Information Security Awareness Session** is going to be organized for the **Students of Mechanical Engineering** on **18th October 2025** at **Mechanical Block, MF-13 Classroom**.

The session aims to create awareness among students about the importance of safeguarding digital information, understanding cyber threats, and adopting best practices for secure online behavior.

Theme: “Information Security — Protecting Data, Preserving Trust”

Students are instructed to make use of this opportunity to gain knowledge about various aspects of information security, cyber safety, and data protection. This awareness will help you stay vigilant in academic and professional environments, and also integrate your learning with real-world technological applications. All students are advised to attend the session without fail and benefit from this informative program.

INFORMATION SECURITY AWARENESS SESSION

AY 2025-26

Dt. 18.10.2025

An **Information Security Awareness Session** was conducted by the **Mechanical Engineering Department** on **18th October 2025** at **Mechanical Block, MF-13 Classroom**. The session was organized to educate students about the importance of cybersecurity, safe digital practices, and protection of personal and institutional data in the modern digital era.

The session was delivered by **Ms. Siva Sankari, IV Year Student and Digital Nagarik Enthusiast**, who has been **selected among 101 batches to participate in the Geneva Summit**. He shared valuable insights on cyber security concepts, data privacy, safe online behavior, and the responsible use of digital technologies. Ms. Siva also highlighted real-life cyber incidents and practical preventive measures to help students safeguard their personal and academic digital identities.

Students actively interacted during the session, showing great enthusiasm and awareness regarding cyber safety. The session helped participants understand the crucial role of engineers in maintaining information integrity and promoting a secure digital environment.

Overall, the session was highly informative and motivated students to become responsible digital citizens in both academic and professional spheres.
