A Report on the Student Association Activity

As part of the technical session under the Student Association Activities of the Department of CSE (Data Science), this event was conducted.

Name of the Event: DEPARTMENT LEVEL ONLINE ALUMNI TALK

Speaker : HEMA REDDY (Analyst Trainee (Cyber Security) -Deloitte)

Date of the Event: 19-12-2025

Time of the Event: 01:30PM To 02:30 PM

Venue of the Event: TECH BLOCK (CF-7)

Brief write-up of the event:

The seminar provided an enlightening session on career guidance, focusing on strategies for excelling in the software development field. Our distinguished alumni, returned to inspire students with his journey from college to a thriving career. Through the theme "College to Career", he shared invaluable insights on establishing a strong foundation, and progressing toward success. His experiences, challenges, and lessons served as a guiding light, motivating students to navigate their own paths with confidence and determination

Highlights and Key Takeaways:

Excell Academically and Build Real-World Skills:

Achieving top grades is valuable, but students who truly excel combine academic success with practical skills. Developing soft skills like communication and teamwork, gaining hands-on experience through internships and projects, and building professional networks are key to bridging theory and practice. This balanced approach boosts confidence, prepares students for the workplace, and enhances career opportunities.

Improving Communication for Professional Impact:

Strong communication skills both verbal and written are vital for professional growth. Students can improve these skills by participating in public speaking events, group discussions, and presentations. Regular practice in these areas boosts confidence and prepares students for real-world
