## **ABOUT THE DEPARTMENT**

Pragati Engineering College started an undergraduate (B.Tech.) program in Civil Engineering in the year 2012, in order to meet the educational needs of the construction industry. The Department of Civil Engineering caters to the regional and global human resource requirements. The institution is located in the widespread area and therefore the students and teachers of the department get benefited through theoretical and field interaction.

The department is committed to strengthen the academic, research and functional abilities of the students, in order to enable them to stand as competent and versatile professionals after graduation. The department strives to enhance research activity in the department, thereby creating competent intellectual resources to the students. Civil Engineering is one of the oldest and ancient branch of engineering which houses a lot of practical knowledge which enhances the day to day life of mankind.

The department building houses, well-equipped laboratories i.e.

1. Surveying Laboratory
2. Engineering Geology
3. Concrete Technology
4. Geo-Technical Engineering
5. Transportation Engineering
6. Environmental Engineering
7. GIS & CAD Laboratories.

The No of Faculty existing in the department is 18. The department conducts various events for revealing scientific, engineering, and technological advances to students. The students participate in events and national level contests, conducted by various institutes. Of the entire faculty thrives very hard and give their utmost knowledge for the overall development of the student.

## **DEPARTMENT VISION**

Impart ethical technical knowledge of global standards in the field of Civil Engineering in order to meet new challenges in Professional and Research Environment.

## **DEPARTMENT MISSION**

**M1:** To train professionals in the field of Civil Engineering, who can contribute to the Industry, Research & Development and also shoulder the social responsibility.

**M2:** To provide state of art resources that contributes to congenial learning environment.

**M3:** To encourage faculty and students to pursue higher education and various career enhancing courses.
