On 6th January 2026

Event on Entrepreneurship Ideas

Organized by Institution Innovation Council

and

Entrepreneurship Development Cell
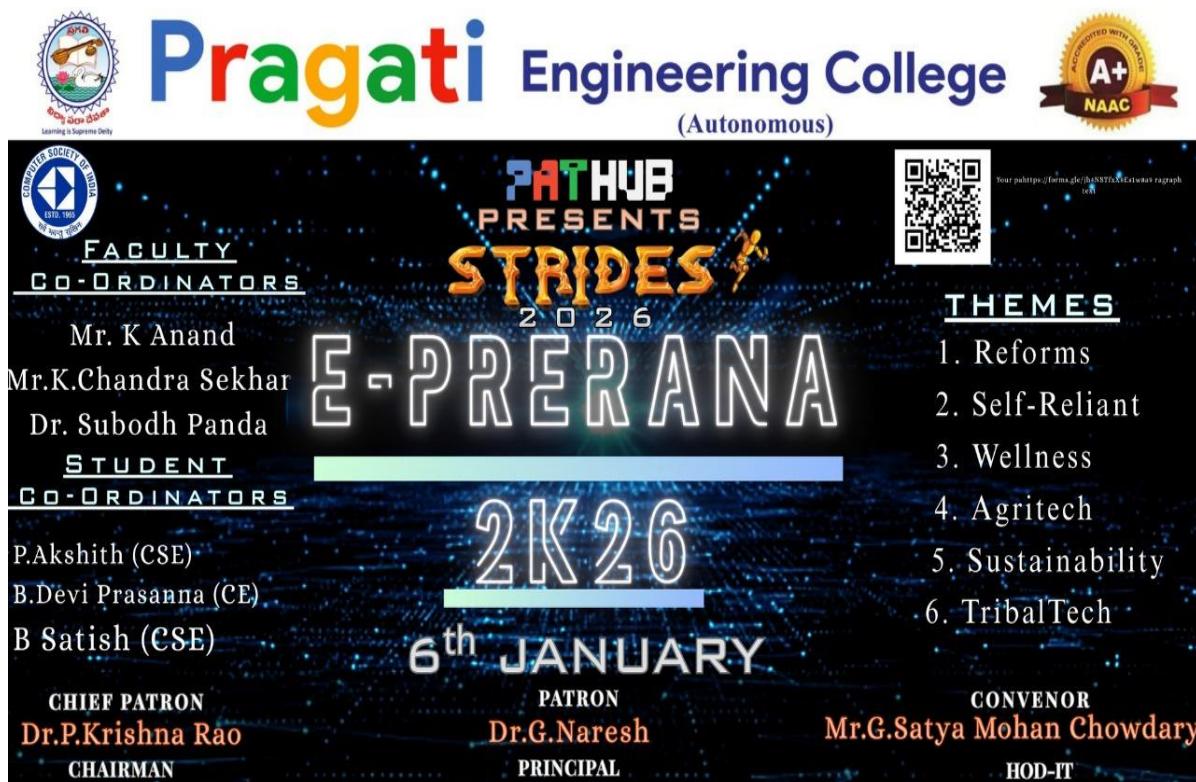

In collaboration with

PATHUB
Pragati Advanced Technology Hub

About E-PRERANA 2K26

   E-PRERANA 2K26 is an initiative organized with the primary objective of nurturing an entrepreneurial mindset and fostering innovation among students. The program is designed to inspire young minds to perceive entrepreneurship not merely as a career option, but as a powerful means to address real-world challenges and contribute meaningfully to societal development.

   The event is conducted under **PATHUB**, in collaboration with the **Entrepreneurship Development Cell (EDC)** and the **Institution's Innovation Council (IIC)**. This collaboration provides a strong ecosystem of mentorship, innovation support, and industry-oriented guidance, enabling students to transform ideas into viable solutions.

   Through E-PRERANA 2K26, the institution aims to cultivate creativity, responsibility, and entrepreneurial leadership, empowering students to evolve from job seekers into job creators and socially responsible change-makers.

Description

Description: The PPT Presentation event offers students an opportunity to showcase their innovative ideas on entrepreneurship and social causes through well-crafted PowerPoint Presentation. The event aims to promote creativity, analytical thinking, and effective communication while cultivating an entrepreneurial mindset and encouraging participants to develop socially responsible business ideas.

Guidelines:

- Each participant/team must prepare a PowerPoint Presentation (PPT) on Entrepreneurship Venture Idea.
- A team can have a maximum of 3 members. The PPT should contain 6 to 7 slides only.
- Use bullet points for clarity and avoid lengthy paragraphs.
- Do not use animations or slide transitions and maintain a light-colored background with clear, readable text.
- Presentation time: 6 minutes per team. Question & Answer session: 2 minutes after the presentation.
- Ensure the topic is creative, well-researched, and technically sound.

Outcome of the Event: The event provided a valuable platform for students to enhance their entrepreneurial presentation skills and communication abilities. By developing and presenting venture ideas, participants gained confidence in expressing innovative concepts clearly. The activity promoted teamwork, analytical thinking, and creativity, encouraging students to identify real-world problems, propose feasible solutions, and present them professionally. Overall, it helped nurture an entrepreneurial mindset and inspired students to think like future innovators.

Details of The Judge:

Dr. Subodh Panda, Professor, ECE department and IIC Coordinator
