

PRAGATI ENGINEERING COLLEGE

(Autonomous)

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

Academic year:2026-27

Date:13-07-2026

CIRCULAR

We are happy to inform you that the poster presentation on “Recent Electrical Technologies” is scheduled to be conducted by **Energy Management Club**. The poster presentation will be delivered by II&III EEE Students.

Interested students can participate in the event as per the schedule given below.

NAME OF THE ACTIVITY	THEME OF THE ACTIVITY	VENUE, DATE & TIME	FACULTY COORDINATOR
ENERGY MANAGEMENT CLUB	Recent Electrical Technologies	15-07-2026 CORE BLOCK MS-13 3:10-4:00PM	Mrs.V.S.V.S.Pravallika Mrs.P.Pushpalatha

ENERGY MANAGEMENT CLUB REPORT

Club Information:

- Club Name: Energy Management Club (Pragati Engineering College)
- Date: 15.07.2026
- Event Name: Poster Presentation on "**Recent Trends in Electrical Technologies**"
- Faculty Coordinator:
Mrs.V.S.V.S.Pravallika, Asst. Professor, EEE Dept
Mrs. P. Pushpa Latha, Asst. Professor, EEE Dept

Objective:

The Energy Management Club organized a Poster Presentation on "**Recent Trends in Electrical Technologies**" on **15.07.2026** to encourage students to explore emerging technologies in the electrical engineering domain. The event aimed to enhance technical knowledge, improve presentation skills, and promote innovative thinking among students.

Event Overview:

The program witnessed enthusiastic participation from undergraduate students, who prepared informative and creative posters on the latest advancements in electrical technologies. Participants explained their concepts confidently and interacted with judges and the audience through technical discussions. The posters highlighted developments in sustainable energy systems, smart electrical infrastructure, and next-generation electrical devices.

Topics Covered:

- Smart Grid Technologies
- Electric Vehicles (EVs)
- Renewable Energy Systems
- Solar Photovoltaic Technologies
- Wind Energy Conversion Systems
- Energy Storage Systems
- Artificial Intelligence in Power Systems
- Internet of Things (IoT) in Electrical Engineering
- Hydrogen Energy and Fuel Cells
- Smart Metering and Energy Management
- Industrial Automation
- Microgrids and Distributed Generation

Outcomes:

- Enhanced awareness of emerging electrical technologies.
- Improved technical presentation and communication skills.
- Encouraged teamwork, creativity, and innovation.
- Motivated students towards research-oriented learning.
- Promoted interest in sustainable and energy-efficient technologies.

ELECTRICAL AND ELECTRONICS ENGINEERING DEPARTMENT

Faculty Coordinators:

Mrs. V. S. V. S. Pravallika, Asst Professor, EEE Dept.

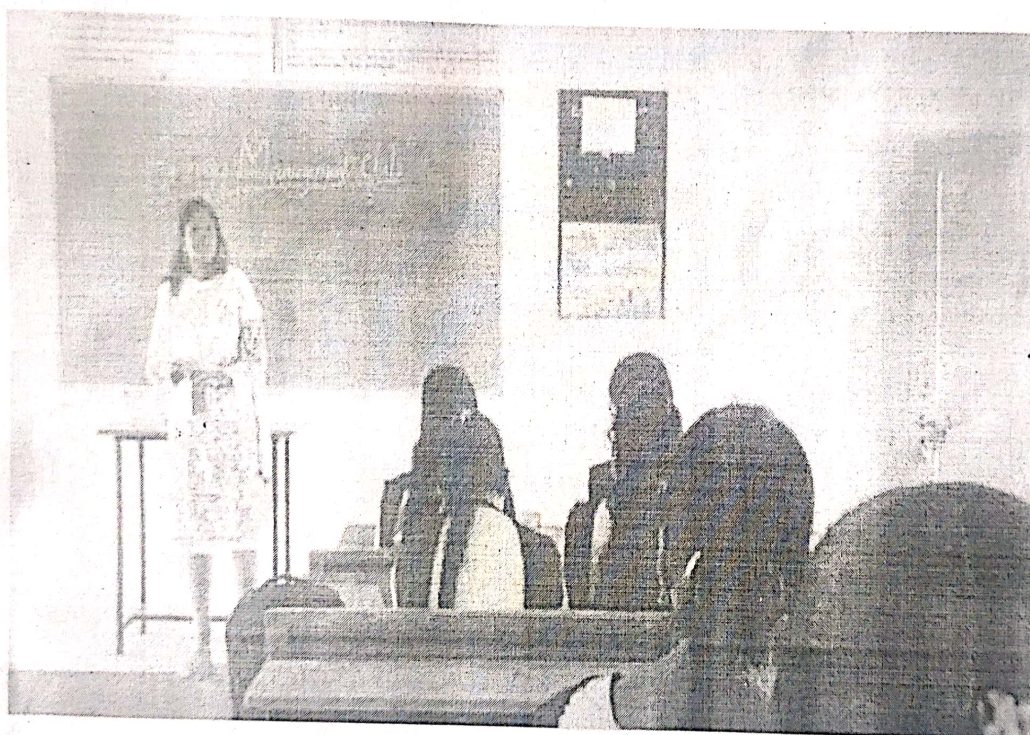

Mrs. P. Pushpalatha, Asst Professor, EEE Dept.

Conclusion:

The Poster Presentation on 'Recent Trends in Electrical Technologies' was successfully conducted by the Energy Management Club. The event inspired students to stay updated with the latest technological advancements and provided an opportunity to showcase their innovative ideas.

Total 25 students are participated on this event.
